

Plant Sciences Symposium 2018

University of Hawai'i at Mānoa

Info for Poster Session

This year's symposium will include a combined lunch and poster session from 11:30-1pm. Posters will display research from current graduate and undergraduate students at University of Hawai'i at Mānoa, as well as students from other University of Hawai'i locations and Hawai'i State community colleges. Symposium registrants are encouraged to interact with the poster owners and learn more about the amazing research happening around the state.

Interested research poster participants:

We are accepting poster presenters from any subject pertaining to the agricultural, horticultural, plant, and soil sciences. Faculty members from the College of Tropical Agriculture and Human Resources will be contest judges and gift cards will be awarded to the winners. If interested, please check "yes" that you want to be a poster presenter during the symposium registration. We do not currently have funds to award to participants for the printing of the research posters.

If you have questions, please contact sheisey@hawaii.edu for more info.
